

Stuart Road Racing One-Hour Race

Date: June 23-24

Venue: South Dearborn High School Track

Benefit: Dearborn/Ohio Counties Relay for Life

Time: 1:00 am (Sunday morning - June 24th)

\$20 Donation to compete (\$80 for team of 5+ runners)

Stuart Road Racing will be sponsoring a One-Hour Race during the Relay for Life. Runners will take over the inside six lanes of the track and leave the outside two lanes for the walkers. The race is exactly one hour long and your place in the race will be based on how far you run.

100% of all donations will be given to the Relay and all costs of the race will be picked up by Stuart Road Racing.

Additional information and a registration form will be available soon. Email me at greg@stuartroadracing.com if you are interested in competing in this event, wish to sponsor a runner, or would like to help in timing the event.

Each runner will have a timer/lap counter. There will also be a cross country team event where you can sign up as an entire team and compete against other teams, with a minimum of five runners per team.

Cecil Franke, Olympic Marathon Trials Qualifier and former state champion in the 3200 meter run, will be competing and is welcoming all challengers!
