

No Bib w/ Chips Instructions

Bibs: This race will not use bibs. Finishers will be given a small place card after they finish to show their coach who will record their place (runners may keep their place cards).

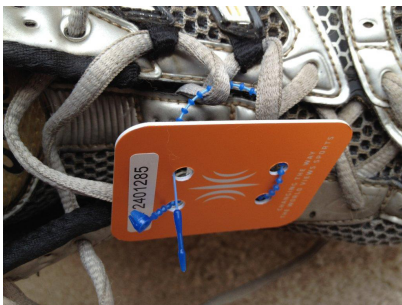

Coaches—please make sure your runners attach their chips according to the following instructions:

Chips: A chip on each shoe:

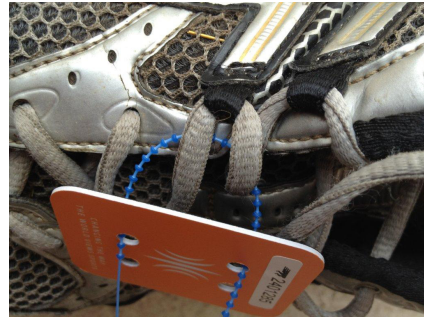

1. Attach orange side up so it is visible.

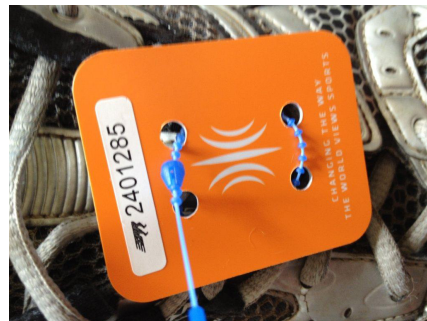

3. Loop back through the chip and through the other side of your shoe laces.

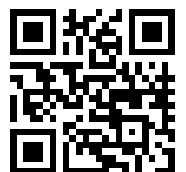

2. Attach zip tie to one side of your shoe laces as pictured.

4. Bring the zip tie back through the fourth hole and secure. **Important: To secure you must tighten through the beads on the zip tie.**

Coaches

Please return wire hanger, all unused chips in their bags, extra zip ties and all empty bags on the wire hanger to the Stuart Road Racing tent at the finish line before the start of the meet.
